Mohamed Kamal El-Sayed

Personal Information

Date of Birth: 1st of September 1984
Marital status: Married
Gender: Male.
Address: 8 Abn-Tomart ST, Moharm-Bak 2nd, Floor,
Place of birth: Alexandria, Egypt.
Mobile: 0567 555 900
E-mail: m.kamal@ieee.org
Nationalité: Egyptien

Career Objective

1- **Executive Director and Founding Partner - Al Shehri Consulting Group.**
2- **CEO - and member of the founding board of the Arab Institute for Safety Sciences - AISS.**
3- **Design Engineer and the management and protection of electricity systems.**
4- **Design Engineer in Fire Alarm and Fire Fighting Systems.**
5- **Engineer in safety and health professional.**
6- **Project management engineer.**
7- **Business Development Engineer.**

Educational History

- ✓ **Ph.D. Of Engineering Management** - 2020 University of Khartoum - Sudan **"Models and applications of artificial intelligence in risk analysis and assessment, disaster and crisis management, and its impact on the safety of designing, implementing and managing engineering projects".**
- ✓ **Master of Electrical Engineering** 2014 University of Khartoum - Sudan
- ✓ **Bachelor of Engineering and Technology** in Electrical Engineering (Major in High-Voltage Networks) **2009**.
  - Graduation Project "Modern control systems in high voltage networks," Excellence ".
- ✓ I'm working on the preparation of **Master of management** systems and business development (Sadat Academy).

- ✓ **Diploma** at **Fire Fighting** Systems for Buildings "**Cambridge Training College Britain** ".
- ✓ **Diploma** at **Fire Prevention And Protection Of Buildings** "**Cambridge Training College Britain** ".
- ✓ Certificate **Project Management Professional** " PMP "
- ✓ Certificate of **CAD-CAM Engineer**.
- ✓ Certificate **Lean Six Sigma** Green Belt.

Membership Professional Organizations

- ✓ **Member of the Engineering Syndicate in Egypt.**
- ✓ **Member of the Saudi Council of Engineers.**
- ✓ **Member of the Arab Engineers Association.**
- ✓ **Member in Institute of Electrical & Electronics Engineers " IEEE "**
- ✓ **Member in National Fire Protection Association " NFPA "**
- ✓ **AU Member " Autodesk University "**
- ✓ **Member in Project Management Institute" PMI "**
- ✓ **Member in American Society for Quality " ASQ "**
- ✓ **Member of the National Institute for Quality of Egypt " NIQ "**
- ✓ **Member in Arab Forum for Human Resources.**
- ✓ **Member of the Arab Society for Occupational Safety and Health " Arab qosh "**

Work Experience

Experience in "Engineer in Design and the management and protection of electricity systems"

- Work as **Reef Consulting Group engineering** as an engineer for the **Design** and **Supervision** of **Fire-Fighting** systems **"Safety Division"** from 5/2014 to 10/2014.
- Work as **Fire Alarm Systems and Projects Management and Design Engineer** at **Alnemer Safety Services for Fire** from 11/2013 to 4/2014.
- Work as **Projects Management and Planning Engineer** at **Smart-IBS** from 4/2013 To10/2013.
- Work at **TECHNOALEX** for Designing and installation different kinds of modern irrigation networks "part time" **2012**.
- Work as engineer in executive office at **El-Feky** for Contracting and Construction Co. "part time" **2011**.
- Work in the **Egyptian air force** "as an engineer officer" **2010**
- Work at the **Target Group Consultant** for consulting and architectural designs and decorations **2009**.
- Work and training at Alexandria for the established contracting **"Talaat Mustafa" 2004**.
- Work as engineer in executive office at **El-Riyadh** for decoration and Construction Company **2005**
- Work at **Alfadl** for the electrical contracting and specialized networks **2002**.

Experience in "Engineer management and development of quality systems"

- Training Program of **Introduction to ASQ Six Sigma Black Belt**.
- **ASQ Certified Quality Engineer**.
- Training Program of **Lean ASQ Six Sigma Green Belt for Service**.
- Training Program of **Lean Six Sigma Green Belt for Manufacturing**.
- Training Program of **Total Quality Management (TQM)**.
- Certificate in **Lean Manufacturing Workshop Simulation** (September 2010).
- Certificate **ISO 9001:2008 Awareness & Internal Audit** (June 2010).
- Certificate Preparing a **Documentation of Quality** (April 2010).

- Participation and organization of the First International Conference of the quality of "**Quality and the future**"
- Workshop on management systems comprehensive TQM in many organizations advisory services.
- Workshop on and quality management systems according to specifications with international standard ISO. Workshop on Quality Management System **QMS**.
- Course coaching concepts and basic principles of the applications **Six Sigma**.
- Coaching session on the ballot measure the performance of Balanced Score Cards **BSC**.
- Workshop to assess the environmental impact of industrial projects.
- Workshop on crisis management **CM**.
- Coaching session on quality in the management of knowledge **QMK**.
- Workshop in the techniques of continuous improvement of the quality system **Kaizen**.
- Workshop on quality and safety in the transfer of electric power.
- Work within a variety of workshops on Affairs quality and reliability, "the National Institute for Quality **NIQ**, many consulting firms."

Experience in "Engineer in safety and health professional"

- Certificate of Internal Audit **QMS**, **EMS** and **OHSAS** Training (October 2010).
- Specialized program on Occupational Safety and Health Administration (**OSHA**)
- Design protection systems and fire-fighting.
- Management and Risk assessment.
- Medical emergency basic training "**Elementary First AID** ".
- Personal safety and social responsibilities.
- Personal survival techniques and search and rescue.

Summer Training

- Training in Alexandria Company for Electricity Distribution. (July 2004 and July 2006).
- Training in Abukir Company to Generate Electricity. (July 2005).
- Training in Ezz Eldekhela for steel manufacturing. (July 2007).
- Training in El- Siuof Station to Generate Electricity. (July 2008).

Engineering Skills

- Design engineer using **AutoCAD**
- Design engineer using **Inventor**
- **PLC** courses certified from LG partner Egypt "**EHA**"
- Health & Safety – **Electrical Safety** Training.
- Health & Safety – **Fire Safety** Training
- Technical **Reports Writing** in Arabic & English**.**
- **Design using Solid works**

Professional Courses Attended

- Uninterrupted Power Systems (**UPS**).
- Self development skills.
- Office Safety Training.
- Design of **Lighting Systems**.
- Earthling Systems for Human & Electrical Equipments Protection.
- Team building course.
- Building Management System.
- Training of trainers "**TOT**" through Life Makers in corporation with Dubai Police, United Nations Office and Right Start (Middle East).
- Training Program of **Business Plan Development**.
- Training Program **Strategic Planning**.

Computer Skills

- **I Strong knowledge of Microsoft Word, Excel, Power Point as well as the Internet.**
- **Access to accredited training on the ICDL program**

Volunteer Work

- ✓ Working as a manager in Future Guardians project in Sahabt Al-khair association in corporation with Dubai Police, United Nations Office and Right Start Foundation.
- ✓ A member in Success club for human development.
- ✓ A member in the student union in science department, high institute of energy, south valley _ Aswan University.

Conferences Attended &Organized

- **Jun 2009** Organizer of "first assembly meeting for Advancement of Educational Resources", Faculty of Engineering Alexandria University.
- **April 2009** Participating in "Egypt's Annual Entrepreneurs Conference", held by Entrepreneurs Business Forum (EBF), Grand Hyat Hotel, and Cairo.
- **March 2009** Organizer of "Alex International Fair and Conference of African and Egyptian Products", held by League of Arab Nations.
- **November 2008**, Attendance of Science Super course Day, Bibliotheca Alexandria.
- **November 2008**, Attendance of Egyptian-Japanese University for science and Technology Symposium conference, Bibliotheca Alexandrina.
- **November 2008**, Attendance of "Leadership Training Conference, SIFE Egypt, German University of Cairo.
- **October 2008**, "NAMES" conference, first assembly meeting of North Africa and Middle East Science Centers.
- **July 2008**, Guest attendance Interact with Today's World 2008 (ITW' 08) conference in Bibliotheca Alexandria, organized by IEEE in (computer science, Soft skills).

Engineering Events

- Participating in the competition made in Egypt and the Egyptian Engineering Day.
- Participation in the Conference of the Construction and building V.
- Participation in the effectiveness of the Seventh Conference of information technology.
- Participation in the International Exhibition of the seventh and eighth century of electricity and energy in the Middle East and Africa.
- Participation in the Organizing Committee of the Eighth Conference of information technology.
- Participation in the Organizing Committee of the Nineteenth International Exhibition of Electricity and Energy in the Middle East and Africa.
- Participation in the Organizing Committee of the Egyptian Engineering Day for the third consecutive years.

Language Skills

Arabic: Native.

English: Excellent reading, very good writing and speaking.
Germany: Fair reading, writing and speaking

Interests

Reading and Browsing the Internet "Search & Research"

Sports

Swimming, ping pong, jogging, running and chess.

For more information about me

In 2013

- Training program in **Control and management system in electrical systems "DCS & ESD System"**.
- Design, installation and operation of **Fire Extinguishing Systems**.
- Occupational Safety and Health Administration "**OSHA**" Certificate.
- Training program in Project Management in **Primavera 6**.

In 2012

- Training program Total Productive Maintenance "**TPM**".
- **Autodesk AutoCAD** and **Autodesk Inventor** Trainer.
    - Arab Academy for Science and Technology and Maritime Transport
    - Egyptian Engineers Syndicate
    - Training Center ICT **ICTC** Aswan University
    - New Horizons Computer Learning Centers
- **E-Marketing Specialist** Certificate.
- Business Development Engineer **Smart-SBS** CO.
- Projects department manager at **Smart Integrated Business Solutions** CO.

In 2011

- **Egyptian Air Force** officer "Office of the Assistant Chief of Staff for the quality and development".
- Project management system and development of quality systems within the **Military Educational Institutions**.
- Engineer officer "Egyptian air force" allocates **Ground Aviation Equipment**.
- Coach company **New Horizon** Training "part time".
- Business Development Engineer **Excellence** Co. for Training and Consulting and Executive Director of the Alexandria branch.
- Project Management and Planning Engineer in **Oriented Systems** Co.

In 2010

- **Design** of Electrical Works.
- Engineering **Supervision**.
- AutoCAD & Inventor **Trainer**.
- Business Administration & Business Development Engineer (**R&D**).
- Project Management Engineer (**PME**).
- Project Management Using Computer (**MS Project**).
- **Quality Auditor** team member.
- Team members **Six Sigma** Projects.

Summer 2009

- Participating in the competition made in Egypt "**MIE**" and the Egyptian Engineering Day.
- Participation in the Organizing Committee of the Egyptian Engineering Day "**ED**" for the third years.
- Project Management in Primavera 3 (**PMP**) – ***ESSENTIAL*** Level 1.
- Project Management in Primavera 3 (**PMP**) – ***ADVANCED*** Level 2.
- Training program of **Matlab Power**.

Winter 2009

- **CEO** in IT-House for Training & Consulting.
- Founder and Member in **IEEE** "Aswan student branch"
- Trainer in information center & technology center "**ICTC**" SVU.
- Trainer & team work member in **Zagel** for human development.

Summer 2008

- Training course in " **HIGH DAM** POWER STATION "
- Training course in "**Etha Soft** for Initialization & Optimization Elec.Sys ".

Course contains:

- PLC course
- SCADA System
- HMI Using
- Inverter System
- Micro controller Applications

Winter 2008

- SIEMENS **PLC** S7-200 'Certified'
- Participating in **DTMS** course " Management approach "
- Member in **IEEE** " Alex Student Branch "
- Trainer in Information technology center "**ITC**" Aswan Branch.
- Founder and Chairman **IEEE** "Aswan student branch"

January 2007

Working as a Marketing Coordinator in Resala for human.

Responsibilities:

- Organizing project, events and courses.
- Sharing in making action plans.
- Supervision on plans execution.

In 2006

Working as a Marketing Coordinator in Roaya for human development.

Responsibilities:

- Sharing in making marketing plans.
- Executing marketing plans.
